In accordance with the principle of minimising data collection, only the relevant data necessary for the performance of our services are collected, processed and stored in the context of your application.

These allow us to manage and analyse your application file.

Your data is used by the employees of our services, within the strict framework of the missions entrusted to them. The data are also used by subcontractors, in the context of the execution of their contract with ISEC, which are committed to respecting the protection of personal data.

Personal data are kept for the duration of the analysis of your application file, as well as after the end of it, for the maximum period necessary to comply with our legal obligations and their limitation periods.

You have the right to ask the controller for access, rectification or deletion of personal data. For any questions or requests regarding personal data protection, please send an email to: info@isec.lu.
